#### I. INTRODUCTION

This Notice is to inform you about a lawsuit which you may choose to join in order to make a claim for unpaid wages and related damages, advise you of how your rights may be affected by this lawsuit, and describe how you can choose to participate in these proceedings.

Plaintiffs have sued The Hershey Company ("Hershey") on behalf of themselves and other similarly situated Retail Sales Representatives ("RSRs"). As relevant to you, this case is an Opt-In lawsuit, as explained below. If you would like to read the Plaintiffs' allegations in the lawsuit, you may visit [www.hersheyovertime.com](http://www.hersheyovertime.com).

Your rights may be affected if you worked as an RSR for Hershey in excess of forty (40) hours in any workweek in the United States at any time up to three years before the date upon which before you return the enclosed “**Consent to Join**” if you choose to do so. The actual cut-off period may be two years before the **Consent to Join** is filed depending on future decisions by the Court.

## **II. DESCRIPTION OF THE LAWSUIT**

On October 19, 2011, twelve (12) named individual Plaintiffs filed a Complaint in the United States District Court for the Northern District of California. Additional individual Plaintiffs were added to the Complaint or joined the case, bringing the current number of named individual plaintiffs to at least 58.

Plaintiffs allege that they and other RSRs regularly worked more than forty (40) hours in a workweek and were not paid overtime compensation for these excess hours. Plaintiffs further allege that Hershey violated the Fair Labor Standards Act of 1938 (FLSA), 29 U.S.C. § 201, *et seq.*, by allegedly failing to pay them overtime compensation for any hours worked in excess of forty (40) per week.

Under the FLSA, Plaintiffs seek payment of overtime compensation for these excess hours, plus liquidated damages in the form of twice the overtime compensation owed, or in the alternative, prejudgment interest. Plaintiffs also seek a declaratory judgment, an award of reasonable attorneys’ fees and costs, and such other relief as may be just and proper.

The Court has determined that the named Plaintiffs and all those who choose to **opt-in** to the case may initially proceed with their FLSA overtime claims on a collective action basis. This means that the named Plaintiffs and opt-in Plaintiffs may engage in the discovery process (in which Plaintiffs and Defendant obtain information from each other regarding the facts underlying their claims and defenses) as a group, and, where appropriate, have the Court rule on the issues on behalf of the group. The Court may reconsider later whether this case should be allowed to continue to proceed as a collective action.

Hershey denies all of the claims made by Plaintiffs and is currently opposing Plaintiffs in pre-trial litigation of the federal claims. Not all employees are eligible for overtime under the FLSA, and Hershey contends the RSRs are exempt from federal overtime requirements under either or both the “outside salesperson” exemption or the “administrative employee” exemption.

## **III. THE COURT HAS CERTIFIED AN “OPT-IN” CLASS**

The Court has certified the following “**Opt-In**” class to determine whether Hershey violated the FLSA and, if so, whether the violation was willful:

All individuals who are or were employed by The Hershey Company as a Retail Sales Representative in the United States up to three years prior to the date the individual’s “**Consent to Join**” is filed to January 28, 2012, and who did not fully and completely resolve these claims in the previous *Campanelli, et al. v. The Hershey Company* matter, Case No. 08-1862 (BZ), filed in the Northern District of California.

If you believe you fall within this definition and are able to make certain representations regarding your job duties, you may “**Opt-In**” to this lawsuit - meaning you may join the lawsuit as a plaintiff. Only those who opt in will be allowed to participate. To “**Opt-In**,” you must complete, sign, and mail the **Consent to Join** form attached to the back of this Notice to Plaintiffs’ Counsel so that it is postmarked on or before July 13, 2012. Plaintiffs’ Counsel will then file your **Consent to Join** with the Court. If you are not interested in participating in this lawsuit and seeking unpaid overtime compensation under federal law, you do not need to take any action.

#### **IV. THE LEGAL EFFECT OF JOINING THIS LAWSUIT**

If you choose to join this lawsuit by submitting the enclosed **Consent to Join** form, you will be bound by the judgment on your **federal FLSA** claim whether it is favorable or unfavorable, and by any settlement of the FLSA claim that may later be approved by the Court as fair and reasonable. While the lawsuit is proceeding you may be required to provide documents and information, appear for a deposition, and/or testify in court. Signing and submitting the **Consent to Join** form in this lawsuit does not affect any claim for overtime compensation or other damages that you may have under state laws.

If you signed a Severance Agreement when leaving your employment at Hershey, you may still be eligible for overtime compensation.

#### **V. THE LEGAL EFFECT OF NOT JOINING THIS LAWSUIT**

If you choose **not** to join this lawsuit, you will not be bound by any settlement or judgment, favorable or unfavorable, of any of the claims brought under the federal overtime laws (FLSA) that are alleged in this action. If you do not file a Consent to Join form, you will not receive any back overtime wages or other relief from this action if the Plaintiffs prevail on their FLSA claims. Recovery under the federal law (FLSA) would be obtainable **only** if you file your own lawsuit within the time provided by law and then you prevail on your claims. Federal law (FLSA) requires that any claims for overtime compensation must be filed, if at all, in a state or federal court within two (2) years (or within three (3) years if the violation was willful as defined by law). Any FLSA claims that are not filed within these time limits are likely to be denied as untimely.

#### **VII. NO OPINION EXPRESSED AS TO THE MERITS OF THE CASE**

This Notice is for the sole purpose of providing former and current RSRs with information concerning their right to pursue a claim for overtime compensation under federal law (FLSA) in this case. Although the Court has authorized the sending of this Notice, the Court expresses no opinion regarding the merits of Plaintiffs' claims or Hershey's defenses.

#### **VIII. NO RETALIATION OR DISCRIMINATION PERMITTED**

Federal and state law prohibits Hershey from taking adverse action against persons based upon the fact that they have exercised their rights to participate in this lawsuit. So if you are presently an RSR, Hershey is barred from retaliating against you for participating in this lawsuit.

This Notice was authorized by the United States District Court for the Northern District of California, the Honorable Bernard Zimmerman, United States Magistrate Judge presiding.

*Failure to return this Consent to Join form to the Plaintiffs' Counsel by July 13, 2012 may result in a loss of your right to join the FLSA Overtime Claim and, therefore, exclude you from any judgment or approved settlement in this action.*
